# INTRODUCING: SHOREBREAK OUTFITTERS

**\*\*THE NEWEST BEACH SERVICE AVAILABLE AT THE VIRGINIA BEACH OCEANFRONT AND SANDBRIDGE VA / CAROLINA BEACH AND KURE BEACH NC \*\***

We are a couple of brothers that grew up on the beach. We are a family business that values our vacations as much as you value yours. If you're anything like us, we look forward to our vacations all year long! We have years of experience perfecting our beach days, so we know what it means to relax and have fun. Then we asked ourselves, why should we be the only ones to have this much fun on the beach? Why couldn't we do this for everyone else? An idea was born. Shorebreak Outfitters is a giant leap forward in full service beach equipment rentals that will make your vacation your best ever!

At Shorebreak Outfitters, our years of experience and planning are yours for the week. We will make your vacation the best you've ever had. We supply the Professional Grade Canopy and 10 foot Bar Top Counter, Bluetooth Speaker, Cooler stocked with 20 lbs. of ice, Legit corn-hole board / bag set, and 6 RIO Beach Chairs – every day.

You wake up, mosey over the dune deck or to your closest public access with your morning cup of joe and there it is – your Personal Shorebreak Outfitters completely set up, ready, & waiting for you. Grab a towel and your sun block because that's all you need to hit the beach. We'll swing back by after 5 pm, break it all down and get it shined up for delivery & set up the next day.

– only footprints and memories left on the beach overnight please!

**This summer we are offering a full 50% off any package to all: Police, Fire, EMS, Dispatch services and ALL COVID FIRST RESPONDERS!!**
